

***In the News***

The Garden Grove Before and After School staff would like to announce our new Assistant Director, Thomas Emma.

Thomas comes from our Wood Ranch Before and After School Club and has an extensive background in working with kids. All the kids have welcomed him to our club and he has already introduced new and exciting activities.

In sad news, we have to say goodbye to Kristina as she has entered her last semester of college and will soon become a nurse. The staff and all the kids will miss her and wish her the best!
