

FEBRUARY NEWSLETTER

Important Days and Activities

February brings us birthdays and a reminder to tell our loved ones how much we appreciate them! Nicole's birthday kicks February off on the second followed a couple weeks later by Valentine's Day! To celebrate Valentine's Day we will be writing letters to our loved ones! February 16th school will be closed, but we will be open from 6:45 AM- 6 PM. Lastly, on February 19th it is President's Day so the school and club will be closed.

REMINDER:

If your child has an enrichment class, let them know to come check in BEFORE they leave for their class. After they are done, they must come and get signed in before they can participate in the activities.

This Month in Weather...

Reminder to send your children to school with a jacket! At the end of the day it has been getting significantly colder and we want your children to enjoy the activities comfortably!
