

MAE BOYAR BUILDING PROJECT

Summary of Feedback Received

- 1 Don't cut trees down – retain landscaping and park amenities
- 2 Retain landscape buffer for parking lot
- 3 Don't expand parking lot
- 4 Larger parking lot ok if necessary
- 5 More parking with better flow for school traffic
- 6 Consider parking lot at end of Satinwood
- 7 Replace with larger building, but not too much larger
- 8 Accommodate small community events
- 9 Don't turn in to a profit center
- 10 Design (1st match OPCC, 2nd rustic, 3rd modern)
- 11 Diagonal – but either ok
- 12 Two story ok if tasteful
- 13 Recreational use space good
- 14 Rentable use space good
- 15 Consider improving park lighting
- 16 Amenities
 - a. Kitchen
 - b. Operable partition
 - c. Clean restrooms
 - d. Natural lighting
 - e. Picnic and grilling facilities
 - f. Outdoor shade
 - g. Sliding glass doors on one side
 - h. Include high tech wire capability
