Subject: Just a note of appreciation

Mr Hayduk,

I would like to express my great appreciation for Jim Keppler and his crew of hard working individuals. As the current president of Simi Valley Little League, I have had several opportunities to converse with Jim; electronically, telephonically and personally. He has eagerly worked with my every request and difficulty in maintaining two baseball fields that are in your district and assigned to our league. He has proven to be an accurate and compassionate advisor on many occasions. One of his crew, Bob, has personally worked with me on several issues and has been extremely responsive to my needs and requests. He has proven to be a good friend to our league and an asset to your department. I think Bob's attention to duty and willingness to provide quality service is an example of the entire team headed by Jim Keppler.

We are proud to be partners with the Rancho Simi Recreation and Park District. Jim Keppler's ever-present advice and constant efforts have helped me realize substantial enhancements in both our Knolls and Santa Susanna ball fields. Even the smallest efforts from Jim and his team have been noticed and appreciated by great numbers of our board members and parents. Neighbors of the Knolls Park have stopped by on many occasions to express their appreciation of the hard work and the beautiful appearance of the field. I am always proud to reply that I have a good working relationship with "the Park District" and we are anxious to always be good neighbors.

Please extend my gratitude and deep appreciation to Jim and his crew. I am certain that our two fields will be known throughout the district as some of the very finest in the area. We could never accomplish it without their help. We will continue striving to be the best of tenants and provide parks that you too can be proud of.

Very Truly Yours,

Thomas Tenney
President, Simi Valley Little League
